HARD-BOILED
STRIKE BILL
TO BE TAMEDExtensive Modification Ap-
pears Probable In
SenateCOMMITTEES WILL
MAKE FINAL DRAFTHouse Endorses Measure
In Unexpected 2 to 1
Balloting

(By Associated Press)
WASHINGTON, Dec. 4.—A hard-boiled strike curb bill, stamped with an unexpected 2 to 1 endorsement of almost 2 to 1, moved to the senate today where extensive modification appeared probable.

Senators predicted freely that their chamber would relax the bill's drastic terms, and then let a senate-house conference committee work out some agreement on the final scope of the legislation needed to avert work stoppages in vital defense plants.

After working itself into a complicated parliamentary snarl, the house finally rolled up a 252 to 136 vote yesterday for the far-reaching bill by Rep. Smith (D-Va.) without even considering some pending "middle-of-the-road" measures.

Provides for "Cooling Off"

The Smith bill, admittedly subject to refinements of phrasing, provides for cooling-off periods

Here is how Ohioans voted on the Smith bill.

Democrats for—Young.

Total Democrats for—One.

Democrats against—Claypool, Crosser, Davis, Harter, Holbrook, Hunter, Imhoff, Kirwan, Secrest, Sweeney, Thom.

Total Democrats against—11.

Republicans for—Baumhart, Bender, Bolton, Brown, Cleveland, Elston, Hess, Jenkins, Jones, McGregor, Smith, Vorys.

Total Republicans for—12.

Republicans against—None.

range from 30 to 90 days in defense labor disputes, during which time the national defense mediation board, given statutory life and power, would use its good offices to prevent a strike.

In addition, the bill would forbid jurisdiction, boycott and sympathy strikes, would freeze existing closed or open shop arrangements for the duration of the defense emergency, and would permit a defense strike only if a majority of the workers affected gave their approval by secret ballot.

Other sections would prohibit the importation of strike-breakers by employers or pickets by unions, and would deny Wagner Labor Relations Act benefits to unions whose officers included members of the Communist party, Young Communist league or the German-American Bund.

Individuals violating various terms of the legislation would be denied benefits under the Wagner act and the social security and unemployment compensation laws.

Smith gained a number of Republican votes for his bill by striking out a section which would have authorized the government, as a last resort, to take over and operate defense plants where production was impeded by labor disputes.

"Biggest" Motor In the World

This striking picture, showing 56 tons of electric rotor framed in the commutator of the big motor, was taken at the new wind tunnel at Wright field, Dayton, where the "biggest motor in the world" is being set up to produce a gale of 400 miles an hour in the tunnel. Engineers will test models of new type airplanes for streamlining in the tunnel.

TRUCK IS WRECKED,
DRIVER UNINJURED

Ernest Carpenter, 33, of Cleveland, escaped without a scratch when his coal truck left the road on a curve on Route 14, just south of the route 165 junction, and struck an embankment at 3 p. m. yesterday.

The body of the truck, loaded with coal, was torn loose by the impact, scattering coal over the highway, the state patrol reported. Carpenter, arrested by the patrol on a charge of not conforming to the regulations of a temporary permit, drew a fine of \$10 and costs in the mayor's court at Sebring.

JAPANESE SIZZLE
AT 'ENCIRCLEMENT'United States Still Waits
For Reply To Hull's
Peace Terms

(By Associated Press)
In the Far East crisis, the Japanese press sizzled anew today over alleged "encirclement" of Japan by the ABCD group of America, Britain, China and Dutch East Indies.

New Japanese military maneuvers increased the tension.

In Chungking, a Chinese army spokesman said 40 Japanese warships, including an aircraft carrier with 45 planes aboard, had been spotted in Camranh bay, on the southeast coast of French Indo-China—a potential springboard for attacks on Singapore, the Dutch East Indies or the Philippines.

The spokesman said Chinese secret service operatives had also discovered that the Japanese were hastily building an air base in western Indo-China near the Gulf of Siam (Thailand) and had imprisoned 5,000 native workers for the job.

Meantime, dispatches from Manila reported the arrival there of the first group of American transportation men enroute to the Far East to keep war supplies rolling over the Burma road to China. American planes and pilots will guard them from air attacks over the long road.

As the United States still waited for Japan's answer to Secretary of State Cordell Hull's terms for peace in the Pacific, the Tokyo privy council, Emperor Hirohito's highest advisory organ, discussed American-Japanese relations in a two and one-half hour session.

SOLDIER HEROISM
WINS U. S. CITATION

CAMP WOLTERS, Tex., Dec. 4.—A soldier's medal for heroism, a war department citation for valor, and a parade review in his honor were the rewards given Pvt. Hobart K. Fry of Granville, O., for rescuing Corp. John A. Palmieri of Columbus from drowning.

Brig. Gen. Emil I. Reinhardt, camp commander, declared "men like you make the strongest possible basis for a splendid army," as he pinned the medal on Fry's chest.

Fry pulled Palmieri out of the Brazos river near Mineral Wells last July 26 and was credited by physicians with saving his life by applying artificial respiration.

Officers learned of Fry's act four days later.

TURKEY GETS
U. S. WEAPONSExpected to Stand by Pact
With British As Result
Of Lend-Lease Aid

(By Associated Press)
WASHINGTON, Dec. 4.—The United States began furnishing Turkey with military supplies six months ago so the Turks could stand by their pledge to Britain to defend Turkey and the strategic Dardanelles against any threat of Axis aggression.

This Turko-British pact, it was learned authoritatively today, accords to a great extent for President Roosevelt's formal decision adding Turkey to the list of nations eligible for lend-lease aid.

The White House statement yesterday, however, said merely: "The President announced that he had found the defense of the United States and the defense of the United States vital to the defense of the United States and had directed Lend-Lease Administration E. R. Stettinius, Jr., to see that the defense needs of the government of Turkey were filled as soon as possible."

Under present plans, it was disclosed, future lend-lease aid to Turkey is expected to include planes, tanks, trucks, anti-tank and anti-aircraft guns, ammunition and other supplies urgently required by the Turkish army.

All supply shipments since last May have been made to Great Britain, which in turn delivered them to Turkey, and it was learned that this procedure would prevail on all future shipments.

By this arrangement, it was explained, Britain will be enabled to fulfill her treaty promises of military supplies in return for Turkey's pledge not to allow any aggressor the use of Turkish territory as a pathway for attacks on Iraq, Iran, Palestine, Suez, or the vitally important Caucasus and Mosul oilfields.

The United States and Great Britain alone were said authoritatively to have worked out the Turkish lend-lease agreement. The Turks, looking to the British for the promised arms and munitions, did not ask the United States for lend-lease aid, played no role in the negotiations, and made no pledges or commitments to the American government.

Early Yule Gift

MANSPFIELD, Dec. 4.—City employees were recipients of an early Christmas gift—a 6.6 per cent general wage increase. City council approved the wage boost, representing an increase of about \$22,000 in the municipal payroll, to approximately 180 appointive employees, effective Jan. 1.

CHURCHILL'S
CONSCRIPTION
PLAN PASSESCommons Votes 326 to 10 to
Approve Mobilization
ProposalMEASURE TAKES IN
UNMARRIED WOMENLaborite Amendment To
Conscript Wealth Is
Voted Down

(By Associated Press)
LONDON, Dec. 4.—The house of commons today passed Prime Minister Churchill's plan for maximum mobilization of men and women by 326 to 10, after putting down an insurgent Laborite amendment which also would have conscripted wealth.

The Laborite amendment, which also would have nationalized many industries, was beaten 336 to 40. It previously had been disapproved at a caucus which had smoothed over a threatened Laborite split on the issue.

To meet Laborite assertions that the conscription was not going to be broad enough, Labor Minister Ernest Bevin told parliament before the vote that the government was determined that "neither interest, property, persons nor prejudices" would be allowed to interfere with the supreme objective of winning the war.

The bill widens conscript age limits to include men from 18½ to 50 years and provides for compulsory unformed service by young unmarried women.

Bevin said that under the military service acts his department already had registered 6,850,000 persons and that a total of 17,000,000 had been registered under all headings, including men over 41, special industrial registrations, aliens, women and fire watchers.

The reported result of a laborite caucus seemed to assure passage of the bill in substantially its present form.

Officers Elected
By Leetonia Lodge

LISBON, Dec. 4.—G. F. Mason of Guilford grange was elected master of the Columbiana County Demeter association at the regular meeting held recently in the Elk-run grange hall.

Lawrence Baker of Elkrun grange was elected assistant master and steward; Mrs. Clyde Temple, Midway, lecturer; R. D. Thompson, Lisbon, treasurer; Cecil King, Greeley, gate keeper; Mrs. Watson, Mile Branch, Pomona; Mrs. W. W. Watkins, Lisbon, lady assistant steward; Mrs. Mark Borton, Mile Branch, and Mrs. W. C. Pank, Unity, social committee; S. D. Galle, Mt. Nebo, Frank Pife, Wayne Twp., and Mrs. Mary Shaw, Lisbon, executive committee.

Mother Killed In
Dash To Save Son

ALLIANCE, Dec. 4.—Struck by a car as she pushed her three-year-old son, Jerry, from its path, Mrs. Thressa Gentile, 38, was killed here yesterday noon.

The boy who ran into the street from his mother's side, was only bruised.

It was the first traffic fatality here in seven months.

The child with his mother and grandfather, Lawrence Lolli of S. Webb ave., had been standing at the curb before the approach of the car.

Leetonia Seniors To Present Annual Play

Appear In Three-Act Com-
edy, "Young April",
Friday Evening

The three-act comedy, "Young April," written by Aurania and William Spence Rouvori, authors of the successful "Growing Pains," will be presented by the senior class of Leetonia High school as the annual class dramatic event Friday evening.

A cast of students, directed by William Leever, new dramatic coach of the school, will portray the characters of the McIntyre's—Professor, Mrs. McIntyre and their young son, George, and daughter, Terry.

The cast includes Howard Bellhart, Gene Nichols, Mike Carey, Jane Peppel, Mary Riddle, Jackie Padmore, Margaret Kovack, Harold Windram, Blaine Heinze, Tom Kilianey, Virgil Burton, LaVerne Calvin, Jean Smith, Mae Hinerman, Jane Fenstermaker and Jane Mercure.

After House Voted Rigid Curb On Defense Strikes

Representative Howard Smith of Virginia, whose bill to limit defense strikes was passed by the lower chamber of congress by a vote of 252 to 136, is pictured discussing provisions of the legislation with congressmen (left to right) Robert Ramspeck and Carl Vinson, both of Georgia. Sam Hobbs of Alabama, whose amendment making it unlawful for labor unions to use imported pickets at a struck plant, stands at Smith's right.

STORAGE NEED
IS STRESSEDMullins Reveals Demand
For Water As Results of
Defense Orders

Need for greater storage capacity for city water is as pressing today to supply industrial demands as it is for fire protection in the city.

That point was emphasized at the meeting of city council Tuesday night by J. V. Emery, plant engineer of the Mullins Mfg. Corp., who revealed that defense orders now in the plant will require much more water for cooling purposes in production than this plant has been using.

It is estimated that this additional demand for water will require as much as the best well in the city fields is producing today. If other defense orders, now in prospect, are received later, even more water may be needed.

Emery also emphasized the statement of George F. Lozier, president of the Manufacturers' association, that no transfer should be made from the water funds until the water problem is solved.

Lozier stated at council meeting that the standpipe is inadequate as a storage basin, that greater storage capacity should be provided with all possible speed and that an elevated storage basin should be constructed. Later in the meeting Fire Chief Vincent Malloy confirmed Lozier's views of the situation.

As a result of this discussion Tuesday night, council called a public meeting for 7:30 p. m. Friday in city hall to discuss the water situation. Manufacturers, business men and civic leaders have been invited to attend.

WELLSVILLE CALLS
SPECIAL ELECTION

WELLSVILLE, Dec. 4.—City council today called a special election Dec. 30 for submission of a one-mill poor relief tax levy for two years.

Municipal officials said relief funds will be exhausted Dec. 31 because of rejection by a 21-vote margin of a 1½ mill levy at the Nov. 4 election.

LODGE MEMORIAL
PLANNED SUNDAY

Salem lodge No. 305, B. P. O. Elks, will hold its annual memorial service at 3 p. m. Sunday in the lodge home.

Atty. Charles McCorkhill will honor the memories of U. I. Metz, William H. Dunn and James D. Fisher, Jr., who died within the last year, while Common Pleas Judge Joel H. Sharp will deliver the general eulogy.

The prayer and invocation will be given by Rev. Fr. Joseph Mahan. Music will be presented by the Salem Men's chorus. Opening and closing ceremonies will be in charge of the lodge.

HAIL FIRST PLANE
FROM NEW FACTORYArmy and Navy Officials
Attend Curtiss-Wright
Ceremonies Today

COLUMBUS, Dec. 4.—Ten months ago power shovels began excavating a tract of frozen land west of Port Columbus.

Today, 9-year-old Marilyn Knapp, daughter of a lathe operator, was assigned to break a bottle of champagne on the nose of the first airplane built in the 25-acre Curtiss-Wright factory erected on the site.

Flown here for the dedication ceremonies at the \$14,000,000 plant, a navy "Helldiver," powerful new dive bomber on which production will start here in May, faced the locally constructed observation plane, "Seagull No. 1," at the opposite side of the speakers' platform.

The public was barred from the factory, but 1,000 invited guests were permitted a tour of inspection following the dedication program.

Dignitaries present included Rear Admiral John H. Towers, head of the navy bureau of aeronautics; Artemus L. Gates, assistant secretary of the navy for air; Col. Philip Schneberger, head of the industrial planning section, army air corps; and George Arnsby, president of Curtiss-Wright.

Forest H. Knapp, father of little Marilyn, is one of the 3,760 workers currently employed at the plant. He entered Curtiss-Wright's employ when the company trained workers in converted cattle barns at the state fairgrounds.

LIST 3RD CASE
OF TULAREMIAPorcelain Worker Is Ill;
Wife's Illness Also
Diagnosed

Health board officials issued a warning to hunters today after a third case of tularemia (rabbit fever) was discovered in the city. A fourth case has not been diagnosed yet.

The latest victim of the disease is Pete Herman 27 of Wilson st., an employee of the National Sanitary Co., who is reported in fair condition at his home on Wilson st.

Health authorities explained that persons can safeguard themselves by wearing rubber gloves while skinning or cleaning a rabbit. If the rabbit is well cooked, it will not give anyone tularemia, it was explained. The disease is transmitted through contact in cleaning.

The health board also urged that hunters give themselves a break by giving the rabbit a chance to run before shooting it. A sick rabbit will not run like the healthy active one.

The Central Clinic, meanwhile, reported as serious the condition of Frank Nelson of 445 S. Broadway, whose wife, Pearl, died last Friday of tularemia. Nelson, who was stricken the day after he shot and cleaned a rabbit Nov. 17, entered the hospital Monday.

Herman's physician said that Mrs. Herman had been feeling ill and that a test of her blood would be made.

CHARITIES GROUP
STUDIES PROGRAM

LISBON, Dec. 4.—The board of directors of the recently established Columbiana County Catholic Charities bureau, a branch of the Cleveland Catholic Charities, met in the offices at 123½ W. Lincoln way Tuesday evening for the purpose of discussing the program with Miss Jane Ward of Kenton, who has just assumed her duties as executive secretary. Miss Ward is assisted in the office by Miss Margaret Sel of Lisbon.

The session was in charge of Rev. Fr. A. H. Murphy, Ph.D., of the Cleveland Catholic Charities diocese, who announced Rev. Fr. Thomas E. Walsh of East Liverpool will be chairman of the county organization which will include all Catholic parishes in the county. The board will meet again early in January.

FIRST AID CLASS
TO BE ORGANIZED

Mrs. Myra Woodruff, executive secretary of the Salem Red Cross chapter, today announced preliminary plans for the organization of a first aid class at 6 p. m. Tuesday, Jan. 6, in the High school building. The room has not been designated yet.

The only cost to students will be a slight charge for the textbook.

CANFIELD MAN
SHOT BY TWO
YOUNG GUNMENCondition of Curtis Lester,
28, Is Reported As
Fair TodayBANDITS ESCAPE
WITH \$17 IN CASHCracksmen Get \$625 In
Robbery at Youngstown
Market

Authorities continued their search today for two youthful bandits who fled with \$17.35 last night after shooting Curtis Lester, 28, of R. D. Canfield, in a gasoline station holdup at the junction of Routes 62 and 46 in Canfield where Lester is the attendant.

Lester, who escaped with a flesh wound in the left side, was taken home following treatment by a doctor.

Drive Stolen Car

The holdup occurred at 10:50 p. m., Mahoning county deputy sheriffs reported, when the two boys, driving a stolen car, entered the station and ordered 15 gallons of "gas."

The deputies said that the pair went inside the station while Lester, who had just come on duty, filled the tank.

When the attendant re-entered the station the youths brandished revolvers and told him it was a holdup. Lester immediately swung at the youth standing nearest him, flooring him with a right to the jaw. The boy, however, fired the 25 automatic which he held in his hand, and the bullet tore Lester's flesh and lodged in a "pop" case nearby.

Faces Second Gun

The attendant found himself looking into the muzzle of the gun held by the other youth who said "no more monkey business now."

The pair took the money from the cash register, jumped into the automobile and sped away.

Lester, however, obtained the make and license number of the machine. A 1941 model grey Ford sedan, it was found to have been stolen in Newton Falls just an hour earlier. The license was G-258-U.

Salem state highway patrolmen scoured district highways to no avail in an effort to locate the car.

YOUNGSTOWN, Dec. 4.—Cracksmen, working neatly and smoothly, "drifted" the safe at the Acme supermarket last night and escaped with \$652.

No Let-Up Is Seen
In Summer Weather

Unseasonably warm weather continued over Ohio today and there was no sign of a let-up.

During the past nine days mean temperatures have been 10 degrees above the daily averages, the weather bureau reported.

In Salem today the mercury reached a top of 66 degrees at 2 p. m. and apparently was still climbing.

With the balmy temperatures and cloudy skies night fogs will continue.

Heavy fog last night grounded airplanes at Cleveland, Cincinnati, and Columbus airports. The fog was expected to return tonight unless there was a change in wind or temperature, forecasters indicated.

The freak 9-day spell of warm weather was attributed to a change in the usual rhythm of low followed by high pressure air masses moving from Canada across the middle west.

Instead of the alternate low then high pressure, there has been a series of low pressure movements only, weather observers said. As the result warm air from the south has been sucked up the river valleys into Ohio, bringing high temperatures and fogs caused by contact of warm air and colder ground.

INCREASE SEEN IN
RELIEF IN COUNTY

Columbiana county's relief roll for the month of December shows an increase of 17 cases and 41 persons over the preceding month, according to a report compiled today by Relief Director John W. Orr with the county commissioners.

The report lists 296 cases and 739 persons, with Butler township again being free of any relief. Knox township was next lowest with only one person on relief, while Center township was highest with 108 persons, topping St. Clair's 107 persons.

Other townships list the following number of persons on relief: Elkrun, 31; Fairfield, 24; Franklin, 14; Hanover, 20; Liverpool, 43; Madison, 79; Middleton, 34; Perry, 10; Salem, 30; Unity, 35; Washington, 75; Wayne, 9; West, 12; and Yellow Creek, 37.

GERMANY OUT-PINCERED

If Russia's apparent success in holding the Germans at bay in the north and pushing them back in the south can be followed through with additional proof that Hitler's command to finish the Russian campaign this year now is impossible;

If Prime Minister Churchill's defiance to the Nazis to turn now against Great Britain because the British are ready for them is backed up by a defense that will not fly to pieces under the sledge-hammer blows Germany is capable of dealing;

If wishful thinking has been shelved at last and replaced by ability to make a realistic appraisal of the opportunities of the anti-Hitlerites, who previously were never quite so well situated as they wanted to think they were;

Then it begins to look as though Germany might be out-pincer.

The eastern half of the pincer movement against Germany is Russia, whose unconquered area still reaches a third of the way around the world. The western half is Great Britain. Both halves are backed up to some extent by the United States—to a very considerable extent when Germany considers that it disposed of both Russia and Great Britain it certainly could not claim world domination unless it also were to dispose of the United States.

The grand strategy of a pincer movement, favorite of German generals, is to disperse an enemy's strength. The same thing credited by most military writers for Germany's downfall in its 1914 bid for world domination may become the decisive factor again—division of German strength between two fighting fronts.

NO RAILROAD STRIKE AND WHY

Citizens of the United States are glad that the holidays aren't going to be turned into a period of confusion and despair by a railroad strike. But no one really thought there would be a strike. It is not surprising news that the railroad brotherhoods and the representatives of management have been able to agree on the terms of a peaceful settlement.

Despite the fact the issue between them was argued all the way through the intricate procedure set up by the railway labor act without a settlement, a strike was not in the cards. It would have been so clearly against public welfare in the existing emergency that the federal government could not have hesitated to seize the railroads to assure continued service. In all probability, a railroad strike would have crystallized popular feeling against work stoppages that impede defense production.

The question of the railroads' ability to meet the cost of averting a strike by granting wage increases remains to be answered. Presumably, since government controls in large part the size of railroad income, the problem has been solved tentatively. The means of deriving more revenue from the public have been explored and found reasonably sufficient. It is not, after all, the railroads that must pay labor costs, but all the users of railroad service—and that includes virtually everybody.

NO FRENCH POSTCARDS, THANKS

The absurd notion that a conquered nation with no army and with its territory over-ridden by enemies can have a will of its own is dying. The end is being hastened, oddly enough, by the carefully staged antics between selected Nazi and French leaders, whose purpose was to persuade onlookers that henceforth the French were going to collaborate with their conquerors, the implication being that up to this time the French had been leading an independent existence.

It would be a miracle if the French felt like collaborating with the Germans past the point necessary for self-survival—and that is, no doubt, the point where the French have been ever since their disorganized government sold them into a state so nearly approaching slavery that it is hard to see any difference. In short, it must be assumed there is nothing the Germans can get from the French by collaboration that they cannot get by force or have not obtained already by the same means.

The shock the Germans have been building up so patiently—that the French now have become converted to the "new order" and are going to pitch in like good fellows to put the thing across—is going to hit Americans with all the impact of a fresh marsh-mallow thudding into a bowl of whipped cream.

SYSTEMS

Thinking over events of the war and the late football season, any person who looks down his nose at claims made for systems is bound to feel encouraged. Two systems have been sunk practically without trace.

One was the T-formation, which was going to revolutionize football. The other was the blitzkrieg, which was going to revolutionize war. Both struck terror in the hearts of opponents. Both were said to be unbeatable.

Only skeptics remembered that the T-formation had been the vogue once before and had lost its punch because a defense was developed to handle it; also that the blitzkrieg accounted for all of Germany's early advantage in World War I, but lost its magic when the Allies learned how to handle it.

Evidently, the Russians and British have learned how to handle it again, the Russians on the southern front, the British in Libya. And obviously, the football coaches figured out a way to handle the T-formation, which by the end of the season was thoroughly discredited as gridiron magic.

FROM THE NEWS FILES

FORTY YEARS AGO
(Issue of Dec. 4, 1901)

John Sears transacted business at Alliance today. Mrs. A. K. Mansfield was a Cleveland visitor today. Mrs. Mary Weaver is spending a week with friends in the country.

F. D. Denney went to Alliance this forenoon to attend a sale.

Mr. and Mrs. H. G. Folts of Lincoln ave. were Pittsburgh visitors today.

Charles Lawrence has gone to Sharon to accept a position in a machine shop.

Ernest Ryser and Mrs. Della Ryser went to Alliance today to visit with friends.

Sylvanus Lacey went to Sebring this morning, where he is engaged in a job of bricklaying.

Mr. and Mrs. John Wilcox of E. High st. are confined to their home by illness.

Mrs. N. C. Harrison went to Homeworth this morning where she will spend two weeks with her daughter.

THIRTY YEARS AGO
(Issue of Dec. 4, 1911)

W. J. Barlow, J. J. Decker, R. C. Morris and W. C. Morrow, Lisbon merchants, passed through the city Tuesday morning on their way to attend the grocers convention at Elyria.

Rev. D. R. Sharpe, former classmate of Rev. Leon M. Latimer of this city, who is now taking a post-graduate course at Rochester, N. Y., spent Tuesday at the Latimer home.

Mr. and Mrs. G. M. Silverman returned to their home in Uniontown, Pa., Tuesday after visiting three or four days with E. Greenberger of this city.

Miss Sidna Entriaken of Michigan went to Cleveland Tuesday morning, enroute home after visiting with her brother, Samuel Entriaken, of this city.

Mrs. Anna Rice and son, Charles, returned to their home in Madison township Tuesday after a ten days visit with friends in Cleveland.

M. D. Crane and Miss Alta Stentz of Cleveland, who has been visiting for some time in Guilford, returned to Cleveland on Tuesday.

Mrs. G. W. Hannay and children have returned from a visit of a few days with relatives in South Sharon, Pa.

TWENTY YEARS AGO
(Issue of Dec. 4, 1921)

Honoring Mr. and Mrs. William Santee, who were married recently, a party was given Friday evening at the home of Mr. and Mrs. Julian Ladd in Damascus.

Miss Anna Steer of E. High st. entertained the doctors and nurses of the Central Clinic hospital Friday evening at her home.

Mr. and Mrs. J. A. Schwartz of Lincoln ave. will leave Saturday evening for Sag Harbor, L. I., to visit his parents, Mr. and Mrs. Adolph Schwartz, who on Monday will celebrate their 50th wedding anniversary.

Mrs. A. DeRhodes, Mrs. John Douth, Miss Alce Gerber and Mrs. Oscar Mellinger and daughter Jeanette of this city were guests at a chicken dinner given by Mrs. M. C. Hileman Friday evening in her home in Leetonia.

In celebration of his birthday anniversary, Donald Walton entertained a few friends at a chicken supper Friday evening at his home on Garfield ave.

Twenty-two young people attended a party given by Miss Mary Cosgrove Friday evening at the club house at the Salem Country club.

Club associates of Mrs. R. S. McCulloch were her guests Friday afternoon at her home on Franklin ave., enjoying the hours at bridge.

THE STARS SAY:

For Friday, December 5

RATHER unexpected and unusual chances for a change of interest, associates and environs is read from the predominant astral influences. It is probable this change may have some form of public relations or contact in a rather unusual capacity. But this may be accompanied by great danger of betrayal, duplicity or clever imposition, in which not only business but personal security are involved. Be alert to all forms of snares, intrigues and dangers.

Those whose birthday it is may not be surprised if sudden and unforeseen change, travel, new contracts, interests and associations should materialize during the year. While not of major importance yet there may be thrills, dramatic adventure, or some sort of unexpected progress in connection with the public, community or group interests.

A child born on this day may possess very unusual talents and creative abilities, which may lure it into peculiar situations or involve it in questionable intrigues, unless care be exercised to adhere to high spiritual and artistic principles.

LOSING SOME OF THEIR "VELVET"

By DEWITT MACKENZIE

Jack London, who not only was a master-writer but an expert in things pugilistic, used to say that every time a man does battle in the ring he loses some of his velvet; that is, a bit of his youthful strength and power of recuperation.

Signs along the now blizzard-swept, frozen wastes of the Russian war front are strong in the suggestion that the Nazis have lost a very considerable amount of their velvet since they started beating their heads against the Muscovite wall. Their striking-power is noticeably weaker, and on the southern front even their defensive resistance has lowered so that we have the amazing spectacle of a German debacle westward from the Rostov zone.

An interesting appraisal of the position is given by Russian General Bodin in the army newspaper Red Star.

"The initiative now is in Russian hands," says Bodin, "but the strength of the Germans is not crushed. The enemy has many tanks and reserves."

That looks like a fairly shrewd estimate, though we do need to see a little more before taking it for granted that the present phenomena means that the initiative has definitely passed from the Germans to the Bolsheviks. This much is obvious: that the invaders have lost much velvet and that the Reds are on the offensive in most sectors. For the first time the Nazis are showing signs of heavy exhaustion.

The headlines in one of our exchanges say: "Exact Site Of Powder Plant Still In Doubt." And for that matter, so is the productive activity of a good many plants on which hundreds of millions of dollars have been invested.

One of our exchange paragraphers says: "Washington has plenty of skilled propagandists, but Alast! they are trained only in boosting themselves."

Evidently the fellow who said somebody didn't amount to a hill of beans didn't have soybeans in mind.

At any rate, the weather bureau is providing weather that is just about right for hulling walnuts—if there's any to hull.

The Japanese seem to change their mind as often as the weather changes—especially when you want it to be clear.

HOME CURE FOR TUBERCULARS

Advisable In Some Cases, Says Clendening

By LOGAN CLENDENING, M. D.

Once more just before the Christmas season is upon us, I would like to say something to remind my readers of the obligation to buy the

Dr. Clendening will answer questions of general interest only, and then only through his column.

Christmas seals of the National Tuberculosis association and stamp them on your Christmas envelopes.

The money from these stamps does a fine work in helping to combat one of man's oldest and most dreaded enemies—tuberculosis.

Our knowledge of the proper treatment of tuberculosis of the lungs is of very recent date. It seems strange that only 75 years ago or less, every possible mistake that could be made in the treatment of tuberculosis was prescribed by the best doctors to be found.

Given Fresh Air

Patients were shut in closed rooms, they were made to exercise "to get their strength back" they were put on an invalid diet, and in fact everything in contradiction to the common sense.

The first sensible suggestion that was made in treatment was to let patients have fresh air. This consisted in nothing more than having a window of the bedroom open at first. Our grandfathers thought that if a person's lungs were affected, they were too delicate to possibly stand a draught. Gradually patients were advised to stay out of doors as much as possible.

Rest Recommended

Next it was very sensibly suggested that instead of exercise, they needed rest. The rest a tuberculosis patient gets is really rest. They stay in bed night and day for six months or a year at the beginning of their treatment. Staying in bed for this length of time requires a great deal of resourcefulness and character, but it pays large dividends if the patient is cooperative enough to carry it out.

Patients at absolute rest with tuberculosis always gain weight. That is why it makes me rather skeptical when I hear about people who would "do anything to gain weight." If they would eat, keep regular hours and get plenty of rest, they would find no difficulty in putting on weight and plenty of it.

Home Treatment

The question arises whether it is possible for a patient with tuberculosis to carry out this treatment at home or in their home climate. One of the great movements at the latter part of the century was the climatic and sanatorium treatment.

Is a special climate necessary? The question of expense is the largest one involved in sanatorium care. There is no question but that a patient does better in a sanatorium if he can afford it, presumably because the regimen of the sanatorium is strict and nurses and attendants are constantly on the job.

Some Recover

There is also no question, however, that people get well at home.

CAN'T KEEP GRANDMA IN HER CHAIR

She's as Lively as a Youngster—Now her Backache is better

Many sufferers relieve nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys. The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 3 pints a day.

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty urination with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

Step into HANES and step out of winter

"Winter kept me as cold as a sheet-covered park bench . . . because I wore my summer underwear. Then my wife got me some comfortable HANES Winter Sets."

Gentlemen, with these popular middleweight garments

you're warm enough outdoors without basking indoors. The HANESKINT Crotch-Guard provides gentle athletic support. All-round elastic waistband. No bothersome buttons. You're really unaware of underwear. See your HANES Dealer.

HANES WINTER SETS 55¢ to 129¢
Select the combination you like best. Wear a short-sleeve or sleeveless shirt with the mid-thigh, knee-length or ankle-length Crotch-Guard Drawers. All cotton (combed) or cotton-wool mixtures.

BOYS' WINTER SETS, 50¢ to 89¢
THE GARMENT

HANES UNION-SUITS begin at 119¢

Look for the HANES Label. It assures you quality underwear at moderate prices.

ROBERT'S MEN'S SHOP

378 EAST STATE STREET

and in their home climate, and I believe this is better for them if otherwise they would have to worry about expense.

After all, modern treatment consists mostly of treatment by surgery (putting the lung at rest) and this can be done by their physician at home who can also put them on the proper diet and prescribe rest.

QUESTIONS AND ANSWERS

A. B. C.: "Can a bunion be corrected by an operation? Can a hammer toe be corrected, and how?"
Answer: Both bunion and hammer toe can be corrected by a very minor operation.

Reader, Chaddsford, Pa.: "Can one safely go on a milk diet? That is, drink one quart of milk each day only. How much weight can be lost in a week if one goes on such a diet?"

Answer: Milk is not a complete food for an adult. Even for children it has not enough iron and Vitamins C and D. There are about 400 to 500 calories in a quart of milk, dependent upon the fat content—one fifth of what an adult needs. It is perfectly safe to go on this for a week, however, and it might be calculated that one overweight.

EDITOR'S NOTE: Dr. Clendening has seven pamphlets which can be obtained by readers. Each pamphlet sells for 10 cents. For any one pamphlet desired, send 10 cents in coin, and a self-addressed envelope stamped with a three-cent stamp, to Dr. Logan Clendening, 235 E. 45th st., New York. The pamphlets are: "Three Weeks' Reducing Diet," "Indigestion and Constipation," "Reducing and Gaining," "Infant Feeding," "Instructions for the Treatment of Diabetes," "Feminine Hygiene," and "The Care of the Hair and Skin."

Junior Music Study Club Presents Alliance Program

Junior Music Study club members presented a program for the Alliance junior club in the Alliance Y. W. C. A. last night, the second of two exchange programs for the groups.

Mrs. E. E. Dyball is counselor for the local club and Paul Evans is president. The Alliance group has Mrs. E. Homer Kendall and Mrs. Paul Cope as counselor and assistant.

The program opened with the national anthem, sung by the entire group. Paul Evans, presiding, announced the following numbers: Piano, "Sonata Pathétique," first movement (Beethoven), Emma Bauman; vocal, "Because" (Guy d'Hardelot) and "The Big Brown Bear" (Manna Zucca), Deborah Beery, accompanied by her sister, Priscilla; clarinet, "Valse Ténér" (Russ Howard), Maybelle Huston. Vocal trio, "By the Waters of

North Georgetown Club Has Yule Program

North Georgetown Women's club enjoyed a program on "Traditions of an American Christmas" at the home of Mrs. Hazen Summer Wednesday evening, with Mrs. Earl Wang as program chairman.

Roll call response was a Christmas scripture verse, followed by Christmas carols sung by the group. The following papers were presented: "The Meaning of Christmas," Mrs. J. E. Finney; "Tradition of the Mistletoe," Mrs. Ralph Bradley; "Burning of the Yule Log," Mrs. A. R. Hoskins; "Christmas Decorations and Cards," Mrs. Rena Whiteleather; "Christmas Stories," Mrs. Ray Boron; "Tradition of the Christmas Tree," Mrs. Ralph Wang; talk on the history of Christmas carols, Mrs. Charles Antram.

The entertainment closed with tableaux reproducing famous Christmas paintings, "Adoration of the Shepherds," "Adoration of the Kings" and "Madonna and Child," by Mrs. Ralph Bradley, Mrs. Earl Wang, Mrs. Hoskins, Mrs. Lee Galbreath, Mrs. Ralph Wang. Vocal soloists during the tableaux were Mrs. R. G. Gilbert, who sang appropriate carols.

The meeting was closed with prayer led by Mrs. Whiteleather, president.

Members exchanged Christmas gifts and filled stockings hung at the fireplace with gifts which will be sent to ladies at the county home. The club will present a Christmas program and sing carols at the home on the Sunday before Christmas. Lunch was served by the hostess and her associates, Mrs. L. A. Stoller and Mrs. Galbreath.

The January meeting will be held at the home of Mrs. Earl Wang.

Mrs. McKee Re-elected By Group 1

Mrs. G. W. McKee was re-elected president by Group 1 of the Methodist Women's Society of Christian Service at a meeting Wednesday afternoon at the home of Mrs. G. T. Harding on Homewood ave.

Other officers are: Vice president, Mrs. R. F. White; secretary, Mrs. R. R. McGhee; treasurer, Mrs. C. B. McConner.

The group enjoyed a coverdish dinner at 1 p. m., followed by a gift exchange. Mrs. W. R. Pearce led the devotional service.

Mrs. R. F. White announced plans of the general organization for a lecture course to be held at the church during the winter months.

The place of Jan. 7 meeting will be announced later.

Miss Humphrey Hostess To Cameo Club

Mrs. Eva Humphrey was hostess to the Cameo club Tuesday night at her home on S. Ellsworth ave., where members played "Hearts" and enjoyed a lunch.

Prizes in the cards, which followed a short business meeting, were won by Miss Martha Whinnery and Miss Virginia Morris. Lunch was served at a table attractive with Christmas favors and decorations. Red tapers formed a centerpiece with candy canes at the places as favors.

Members will meet Dec. 16 at the home of Miss Alice Stallsmith on Perry st.

Daughters of Rebekah To Name Officers

Home lodge No. 110, Daughters of Rebekah, will elect local lodge and state officers at a meeting at 7:45 p. m. Friday in the Odd Fellows hall. Lunch will be served during the social hour after the session.

Marriage Licenses

Marriage licenses have been granted at Lisbon to:

Blaine M. Beaver, potter, and Luella Elizabeth Comate, East Liverpool.

Ralph Pascerneyer, railroader, Kensington, and Lois Sewell of Hanoverton.

Lawrence Cline, truck driver, and Mary Fisher of East Liverpool.

Harry George Rigby, potter, and Virginia Ethel Ceer of East Liverpool.

Supper Is Planned

Women of the Moose, meeting at the hall last night, made arrangements for a coverdish supper and handkerchief shower, for members whose birthdays are in December, at the meeting Dec. 17. A Christmas gift exchange is planned for the session then.

Guild Plans Party

St. Agnes guild of the Church of Our Saviour has completed arrangements for a benefit bridge at 2 p. m. Friday, Dec. 12, at the home of Mrs. W. P. Carpenter on S. Lincoln ave. The affair is planned as a pre-holiday event for members and guests.

HITLER'S ARMIES FIND GOING ROUGH

Hard Pressed In All Sections, They Face New Serbian War

(By Associated Press) Adolf Hitler's invasion armies, hard-pressed on the sands of North Africa and flung into headlong retreat in the Russian Ukraine, had a new fight on their hands today as Serb guerrillas were reported battling three Axis divisions in old Yugoslavia.

A Serb communique, issued in Cairo, said the Germans had launched "what appears to be a general offensive" against positions held by unconquered guerrilla forces of Gen. Draja Mihailovic in a valley of western Morava river.

"Resisting Successfully" "Our forces are resisting successfully in the face of furious onslaughts," the communique said, "although in the sector of Uzice enemy tank attacks have obliged one of our units to withdraw." Uzice, a battle-torn town of 12,000 population, is about 80 miles southeast of Belgrade.

"Our troops are in high spirits," the Serb bulletin said. German troops in Yugoslavia have been estimated five divisions (about 75,000 men), while Gen. Mihailovic is said to have 80,000 soldiers, sworn to wipe out the Nazi conquerors.

A Havas (French news agency) dispatch said 1,500 persons were killed by a munitions dump explosion at Oujtza, Serbia, in a fight between guerrillas and government troops.

Kleist Still Fleeing On the Russian war front, Soviet dispatches reported that Gen. Ewald von Kleist's Ukraine armies had been driven in chaotic retreat beyond Taganog, 40 miles west of Rostov-on-Don, with four Nazi divisions (60,000 men) knocked out of action.

In the battle of Moscow, the Russians declared that Red army troops had thrown the Germans back 16 to 21 miles in the Stalingor sector, 120 miles southeast of the capital, and recaptured the important town of "K"—perhaps Klin, 50 miles north of Moscow—and four villages on the northern flank.

Around Leningrad, the Russians said that 5,439 Germans had been killed and 32 tanks destroyed in the Tikhvin area, 110 miles southeast of the old Czarist capital, and that the Nazis had been frustrated in an attack to cut off Leningrad from the east.

Perry Juvenile Grange Obligates Candidates

Perry juvenile grange obligated 22 candidates in full degree work at the meeting last night at the hall, with Perry Hilliard, master, presiding.

Buddy Youtz was appointed gatekeeper for the members. Names were drawn by the members for a Christmas gift exchange to be held at the next meeting.

Following the presentation of drill work, the following program was given, in charge of Joan Hinchcliffe, lecturer: Piano solo, Janet Faye Youtz; recitation, Clifford Swartz; talk and demonstration on bugle call used by Boy Scouts and soldiers, Ben Kupka; recitation, Rita Swartz; piano solos, Jerry Shastene; talk on appreciation of juvenile work, Virgil Whinnery.

Lunch was served by the committee which included Janet Whinnery, Jean Vaughn, James Blockson, William Dixon and Ben Kupka. The next meeting will be held in two weeks.

Saver: Fellow Worker

WAYNESBURG, Pa., Dec. 4.—Explosion of old oil being heated in salvage operations at an abandoned oil well seriously burned Herman Hill, 42, and injured Fred Stover, 42, as he tore off Hill's clothing and saved him from being burned to death. Both live in New Matamoras, O., and work for the Interstate Pipe and Supply Co., of Marietta, O.

"On the House"

SOUTH VIENNA, O., Dec. 4.—Electricity consumed during December in this Clark county village of 500 is "on the house." The village board of public affairs announced that there would be no electric bills for the month and a spokesman said "This is our Christmas present to South Vienna citizens." The village buys its power from the Ohio Edison company.

Plan Naval Factory

WASHINGTON, Dec. 4.—The defense plant corporation has authorized construction of a \$10,430,288 naval equipment factory at Erie, Pa., to be operated by the General Electric company.

CITY OF DETROIT IS FACING STRIKE

(By Associated Press) DETROIT, Dec. 4.—The city government was confronted today with a strike threat of its workers organized by the City Employees union (AFL) which has presented a 16-point program of demands, including a 15 per cent wage increase.

At a mass meeting last night union officials said members of local 77 voted 1,451 to 11 in favor of strike action by Dec. 15 unless "reasonable" concessions to the program are made by city officials.

The meeting climaxed a day of council curing which councilmen delayed a vote on the union's program until they could get a report from Budget Director David V. Addy on the total cost of putting the demands into effect.

The strike vote was limited to workers receiving daily wages. Arthur M. Stringari, union business agent, said salaried employees would meet in the next few days to consider a similar vote.

The budget department said daily wage employees receive 70 cents to \$1.50 an hour, which it said corresponds with prevailing wages for similar work in private industry. Salaried city employees receive \$900 to \$10,000 a year.

WORK CONTINUES AT RAVENNA PLANT

RAVENNA, Dec. 4.—AFL construction workers passed through picket lines of striking production employees—including AFL switchmen and machinists—to go to work today at the Ravenna shell-loading plant.

Dan F. Hurley, labor conciliator, arranged meanwhile a meeting at Cleveland between leaders of the four striking unions and the Atlas Powder Co., operators of the arsenal.

An army spokesman said he doubted if more than 10 per cent of the production workers were off their jobs, and a company spokesman gave a similar estimate.

Unionists declared the walkout about 80 per cent effective. From two to six men marched at each of the 14 gates as the unions started formal picketing for the first time in the day-old walkout.

Held Under Bond

JACKSON, Dec. 4.—Hayward Myers, 21, of Oak Hill, was under \$20,000 bond today awaiting sentence for manslaughter in the fight death of James Betts, Oak Hill brickyard worker, Oct. 25. A jury returned the verdict in common pleas court. Hayward Jaynes, 24, will be tried in January on a similar charge.

Sanduskian Honored

COLUMBUS, Dec. 4.—The Ohio County Auditors association in convention here elected George J. Oswald of Sandusky as president.

How To Relieve Bronchitis

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION for Coughs, Chest Colds, Bronchitis

YANGTZE GUNBOATS REACH MANILA BAY

MANILA, P. I., Dec. 4.—The U. S. navy gunboats Luzon and Oahu of the abandoned Yangtze river patrol reached Manila bay today after a strenuous, six-day voyage from Shanghai.

Rear Admiral William Glassford, commander of the patrol, said the light ships—built for river use only—tossed wildly in bad weather which churned the China sea.

He said the vessels were observed constantly by Japanese snips and aircraft until after they had passed the southern tip of Formosa.

Two other vessels of the patrol were left in China, one as a stationship in Shanghai and the other in Chungking.

Rear Admiral Glassford expressed the opinion that the Japanese would not take over the International settlement in Shanghai, where 3,500 Americans remain.

He asserted no heavy Japanese naval concentrations were seen enroute here.

Leetonia Man Promoted

Corporal Ralph J. Mancuso, son of Mr. and Mrs. Frank Mancuso of Leetonia, has been promoted to sergeant in his organization, Company G, 145th infantry, at Camp Shelby, Miss.

Persons who want anything, know The News is the Want Medium in this vicinity. So read it.

STRIKE MEASURE FACING CHANGES

Extensive Modification Appears Probable In Senate

(Continued from Page 1)

Predictions were that the senate would insist upon milder legislation.

Senator Ball (R-Minn.) declared the house bill would be "drastically revised." Senator Taft (R-Ohio) said the senate "probably won't take all of the provisions of the Smith bill."

Rep. Ramspeck (D-Ga.), advocate of an administration-supported measure less sweeping than the Smith bill, commented:

"The psychology was that the members thought that they had to vote for a bill and that any bill would make labor mad. So they thought it would be better to go the whole way and satisfy the other side."

It was a decision by house leaders to afford equal opportunities for votes on both the Smith and Ramspeck bills that led to the unexpected easy victory for the Smith bill. Apparently a large number of the lawmakers assumed the Smith measure would be sidetracked at the last moment to permit consideration of the Ramspeck bill which had been approved by the labor committee.

Injuries Are Fatal

CLEVELAND, Dec. 4.—Mrs. Mae Boyer, 68, is dead of injuries suffered in a traffic accident near suburban Berea Nov. 19.

SURPLUS ESTIMATE HIGH, SAYS HERBERT

BARBERTON, Dec. 4.—Charging that estimates of a \$17,000,000 to \$36,000,000 state treasury surplus are based on ignorance or malice, Lieut. Gov. Paul M. Herbert forecasts the Dec. 31 surplus at \$10,500,000 and says "Ohio's financial house is in order and ready to meet the impact of the national crisis."

Speaking before the chamber of commerce here yesterday, Herbert declared that "irresponsible house-top shouters and certain political-minded officials have issued statements variously estimating the surplus as from \$17,000,000 to \$36,000,000. Such estimates can not be supported by fact, give the lie to simple arithmetic and are the product either of ignorance or deliberate malice."

Officials of several large cities have sought vainly to have Gov. John W. Bricker call an early special session of the legislature to allocate surplus funds to political subdivisions. Bricker contends the money will be needed to make up for anticipated tax income decreases next year.

File Murder Count

DELAWARE, Dec. 4.—Mayor Paul White said a second degree manslaughter charge would be filed today against William F. Watterson, 35, of Ashley, in connection with the death of Leo VanSickle, 56, who was struck by an automobile VanSickle was widely known as a breeder of Percheron horses.

LOWER IS HONORED BY NATIONAL UNIT

LISBON, Dec. 4.—The National Association of County Farm Agents today awarded a distinguished service certificate to Floyd Lower, Columbiana agricultural extension agent, recognition of his 21 years with the Ohio State university extension service.

Announcement of the award was made at the 4-H club congress, now in session at Chicago.

Lower last year received a 20-year pin from the state extension unit in recognition of his service.

He has been Columbiana county agent for the past 16 years. He is president of the Lisbon Youth association and a past president of the Kiwanis club.

JEWELRY, LINGERIE STORES RE-OPENED

The Sonnedecker jewelry store and Kitty Kelley shop will have their official opening in their new quarters at 530 E. State st. Friday evening. Hours of the grand opening will be from 7:30 to 9 p. m.

S. F. Sonnedecker, the owner, has been a jeweler in Salem since 1922. The store is situated a few doors west of its former location in the Home Savings & Loan building. Sonnedecker purchased the building in which he is now located and remodeled and modernized it.

Fluorescent lights in the ceiling and display cases brighten the interior of the store which has been given a natural wood finish. Built-in wall cases are of modern design. The Kitty Kelley shop, which is operated in conjunction with the jewelry store, is in charge of Mrs. Sonnedecker, who is a graduate of the Formfit school of modern cosmetry. A foundation garment department was added in August.

Will Face Grand Jury

Luther Wright, 20, and Donald Workman, 18, of Salem, were bound over to the grand jury yesterday for the theft of an automobile from the Aithouse garage.

Both pleaded innocent to charges of breaking and entering and auto theft. Bonds on the first count were set at \$1,000 and \$500 on the second charge.

Police Chief Ralph Stoffer returned the youths to Salem Tuesday following their apprehension at Cumberland, W. Va. The car they are alleged to have taken from the garage here Saturday night was recovered at Grafton, W. Va.

FEARS SHORTAGE OF RAIL EQUIPMENT

(By Associated Press)
WASHINGTON, Dec. 4.—Defense officials, fearing a shortage of railroad equipment and rolling stock in 1942 today were reported considering creation of an allocation program to guarantee supplies of steel and other materials to freight car, locomotive and railroad equipment builders.

The program probably would restrict passenger and Pullman car output sharply, it was stated, in order that available critical material might be funneled into production of freight cars to carry the mounting flow of defense shipments.

An Office of Production Management spokesman said railroad sources had estimated that 900 new locomotives and about 160,000 new freight cars would have to be built in 1942 to avoid possible serious jams.

Indians Sell Catcher Rollie Hemsley To Cincinnati Reds

SALE OF RECEIVER BY TRIBE COMES AS COMPLETE SURPRISE

Riddle Becomes Season's First Holdout; Cubs, Giants Swap

JACKSONVILLE, Fla. Dec. 4.—The Cincinnati Reds bought catcher Rollie Hemsley from the Cleveland Indians today in a straight cash deal which was announced shortly after daybreak.

The deal came as a complete surprise because there had been no hint that the American League had waived on Hemsley and none of the Cincinnati officials had been seen conferring with Cleveland.

Hemsley, who has been considered one of the leading catchers of the major leagues, was with Cincinnati in 1933 as one chapter in a long and speckled baseball career.

Apparently the deal was the first step in a move to smooth out turbulent elements among the Indians for the new manager, Lou Boudreau.

Jumps Holdout Season

JACKSONVILLE, Fla., Dec. 4.—Elmer Riddle jumped the holdout season today and was reported putting the bet on the Cincinnati Reds for a flat doubling of his 1941 pay check.

Riddle, who came to Cincinnati from Birmingham in 1939, was the pitching sensation of the National League last season when he won 19 games and lost 4, establishing an earned-run average of about 2.20. The previous year he worked in 15 games as a relief pitcher, winning one and losing two.

Elmer came to the meeting of the National Association of Professional Baseball Leagues and presumably swapped good-mornings with Business manager Warren Giles of the Reds and other front office officials. The Reds didn't speak of salaries, but Elmer's notions were not secret. They ran to five figures.

Riddle's 1941 salary was not discussed, but baseball men estimated it in the neighborhood of \$6,000 or \$7,000.

Leiber Back to Giants

Big Hank Leiber returned to the New York Giants today in a deal that sent Pitcher Bob Bowman to the Chicago Cubs and it was anybody's guess whether the trade was worth all the labor that went into it.

The first big league player swap of the minor league meeting was made in a smoke-filled hotel room at 2 a. m. today after representatives of the two clubs had wrangled nearly three hours over terms of the transaction.

As finally announced, the trade called for the Giants to give not only a right handed hurler but a sum of cash for the big blond outfielder who has shown signs of being one of the most dangerous sluggers in the National League.

Broke in With Giants

Leiber broke into the National League in 1933 with the Giants and became one of the outstanding outfielders of the circuit. In his first full season in 1935 he hit .331 and batted in 107 runs. He lapsed into the doldrums after that and Terry traded him to Chicago after the 1938 season in a deal that gave Leiber, Dick Bartell and Gus Mancuso for Frank Demaree, Billy Jurges and Ken O'Dea.

Leiber 310 for the Cubs

In 1939, and 302 in 1940. Then last summer he was beaten by Cliff Melton. Hank got back into the lineup late this season, but wound up the year with an average of .216 for 53 games.

Bowman won six and lost seven games for the Giants last season, although he pitched in only 78 innings.

In another deal Van Lingle Mungo, one time pitching star of the Brooklyn Dodgers, and Catcher Angelo Guilmam were traded by the Montreal Royals of the International League to Minneapolis of the American Association for a left-handed pitcher, Joe Hatten.

OHIO 37TH SQUAD WILL BATTLE 34th

CAMP SHELBY, Miss., Dec. 4.—A college type "pop rally" including the "biggest bonfire ever built" will be held tomorrow night by the 37th Ohio division to help its football team try for victory over the 34th division squad in Hattiesburg Saturday afternoon.

Each regiment in the 37th has

BOWLING RESULTS

Jackson's Service slipped into first place in the Pastime League as they scored a shutout win over Sponseller's at the Grate alleys last night.

Meanwhile Citizens Ice and Albright's were battling with Salem Label and Bloomberg's respectively. Albright's copped two from Bloomberg's as the Salem Label took a pair from Citizens to cause a tie for second place between Albright's and Citizens' Ice. Clyde "Wink" Miller of Salem Label wound up his series with a snappy 244 game after a bad start while Hillbrand of the Ice rolled a fine 233 to end his series. Huffer of Albright's hit a 234.

In other matches of the evening, Gold Bar took two from Loudon's to retain fourth place, the Strop Club copped two from Hants, and Eagles won three on a forfeit from the Elks.

Ohio Edison copped three from their nearest rival, the Salem News, at the Masonic alleys to strengthen their grip on first place in the Masonic Ladies League. Olive Ramsey of the Edison's rolled a 199 in her second game.

Kresge's shut out Brownies to close the gap in their fight for second place while Starks scored a shutout win over the last place Bankerettes to hold fourth place. In the other match of the evening, Wark's copped three from Mullins five.

preparing a float for a parade to precede the rally, the Major General Robert S. Beightler trophy offered as a reward for the best General Beightler commands the Ohio outfit.

The 34th division won an early season game from the 37th, 14 to 0. Meanwhile, the Buckeye division was getting ready to open its winter program in a new sports arena expected to be completed by Dec. 10. The \$77,764 building will have 18,000 square feet of floor space and house athletic equipment valued at \$7,000.

The 37th division's basketball league will start Dec. 10.

LISBON COURTMEN MEET STRUTHERS IN SEASON OPENER

Four Lettermen Back from Last Year's Squad; Team Green

LISBON, Dec. 4.—Lisbon High will open the 1941-42 basketball season Friday night on the home court, meeting a strong Struthers High quintet.

With Dave Eason the only regular back from last year, this year's Lisbon team lacks experience in starting off the season. After ten days of practice, the starting lineup is still uncertain. Lettermen from last year who are fighting for positions on the team are Dave Eason, Don Loch, Ralph McDevitt, and Tom Fife.

With Fife and McDevitt, both six-footers, the team will be taller than those of the past few years. Alex Silage, who was not out last year, is battling for a position along with Bill Welsh, Adolph Romeo, Tom Polite, Bob Brinker, Earl Lenz, and Don Dillard, who were reserves last year.

The schedule is: Dec. 5, Struthers here; Dec. 9, Salem there; Dec. 12, New Waterford here; Dec. 19, Columbiana here; Jan. 2, Minerva there; Jan. 9, Boardman here; Jan. 10, Fairfield there; Jan. 16, Columbiana there; Jan. 17, Carrollton there; Jan. 23, Wellsville there; Jan. 24, Chester here; Jan. 30, Salineville here; Feb. 6, East Palestine there; Feb. 7, Leetonia here; Feb. 13, Sebring there; Feb. 14, Goshen here; Feb. 17, New Waterford there; Feb. 20, Louisville there; Feb. 24, Girard here; Feb. 27, Wellsville here.

Ohio Quintets Open Campaigns

(By Associated Press)

Findlay College 49, Adrian (Mich.) 47.

Defiance College 52, Lawrence Tech (Mich.) 43.

Bowling Green 53, Bluffton 28.

Morehead (Ky.) Teachers 40, Rio Grande 33.

Ohio college basketball teams emerged from three meetings with out-of-state quintets with a record of two wins and one defeat Wednesday night.

Defiance and Findlay trimmed Michigan invaders, while Rio Grande bowed before the Morehead (Ky.) State Teachers. Findlay was forced to freeze the ball in the closing seconds to save off a determined rally by Adrian college and eke out a 49 to 47 decision. Findlay led at the half 24-10 and midway in the last half pushed ahead by 15 points before Adrian sharpshooters began clicking.

Irv Barnett, 6 foot 8 inch Findlay center, a resident of Sandusky, was high scorer of the game with 15 points.

Defiance showed class in its season opener, whipping Lawrence Tech of Detroit 52 to 43. Dick Lord, Findlay forward, entered an early bid for the state scoring crown by chalking up 30 points.

Jack Duncan, Rio Grande forward, set a fast pace with 15 points, but the Indians were overcome by a well-balanced Morehead attack 40-23 in the season opener at Rio Grande.

Bowling Green dusted off Bluffton with ease, 53-28, with Dewey Johnson, senior forward, scoring 12 points for the winners.

KENYON MALLETMEN TO BATTLE CULVER

GAMBIER, Dec. 4.—Kenyon college's polo and jumping teams will meet the Culver Military Academy riders Saturday afternoon for the first match of their intercollegiate indoor polo season.

The Kenyon mallet men played a practice game with the cadets last spring, but this will be the first real Kenyon-Culver match since Kenyon's famed team of McMahon, Eberle and Trainer won three years ago. The Culver squad is exceptionally strong this season, having won every match so far.

Captain Frederick Eberle, Kenyon riding instructor and polo coach, will start John Ake, Akron sophomore, at No. 1; Bill Lewis, a freshman from Alliance, at No. 2; and Charley White, a sophomore from Zelenople, Pa., at No. 3. Fritz Watson of Tarentum, Pa., a senior, will substitute. Lewis will play against his younger brother, Merick, Culver's high-goal man, with their parents, Mr. and Mrs. Owen Lewis, of Alliance, on the sidelines. The Kenyon jumpers will meet the Cadets for the second time

Ott and Terry Take New Jobs

Asks \$5,000 Damages

LISBON, Dec. 4.—The Melhorn dairy store in Salineville, and Oscar and Clarence Melhorn, were named defendants in a \$5,000 action filed in court here by Elma Grace Gontter, who asks the sum for personal injuries sustained while she was a patron in the establishment.

The petition states the plaintiff entered the store last May 17, 1941,

at 10 p. m. as a patron and as she seated herself at a table the chair collapsed and she was thrown violently to the floor, sustaining injuries which, it is claimed, are of a permanent nature. It is charged in the petition that the defendants were guilty of negligence in permitting a broken and defective chair to remain where it could be used by patrons.

BLAMES BOMBING ON LABOR ENEMIES

Detroit Lumber Plant Owner in New York Asks Blast Damages Home

DETROIT, Dec. 4.—The explosion of a black powder bomb early today blasted in the massive front door and shattered windows at the residence of Patrick J. Currier, president of the CIO-organized Currier Lumber company, in Detroit's fashionable northwest section.

Currier, who was in New York with his wife, declared the American Federation of Labor "are the only ones who could be responsible." He was recently refused a government contract to build pre-fabricated homes for a defense house project at Wayne, Mich., although his bid was low by \$431,000.

At the Currier home when the bombing occurred were the lumberman's two daughters, Collette, 14, and Claire, 3, asleep in an upstairs bedroom; Michael O'Connor and Miss Madeleine O'Connor, brother and sister of Mrs. Currier, and May Williams, a domestic. None was injured.

Currier posted a \$1,000 reward for capture of the perpetrators. "My only enemies are those whose enmity has been made public in the past few weeks," he said. "I feel this attempt on the lives of my family can be placed squarely at their door."

The Currier company last May was the center of a labor clash while AFL men picketed the lumber yards during a trucking strike. One man was killed in fighting between Currier workers, who were then unorganized, and AFL unionists. Later the CIO's United Construction Workers signed a contract with the company.

Currier's bid on the Wayne housing project was turned down by order of Sidney Hillman, associate director of the Office of Production of Management, who said he feared an outbreak of labor warfare in Detroit if Currier got the job.

ROSELLI UNDER U. S. INDICTMENT

BUFFALO, N. Y., Dec. 4.—Giuseppe Roselli, alias Joseph (Speck) Russell, erstwhile Cleveland robber, is under federal grand jury indictment today for using the mails to defraud magazine publishers.

The 33-year-old former Ohio convict, released in January from Ohio penitentiary, was alleged in the indictment to have written letters under 19 aliases offering manuscripts which were "stories and articles written by persons other than those whom the defendant represented."

Roselli, in jail in default of \$5,000 bail, was accused of offering True Story magazine an article on "how to stay married" by Theresa T. T. Livingston, judge, domestic court, Buffalo.

U. S. Attorney George Grobe said the magazine discovered there was no such judge in Buffalo.

Pushes Reapportionment

HARRISBURG, Pa., Dec. 4.—Gov. Arthur H. James indicated strongly today he would press for action by the legislature in its so-far futile effort to reapportion Pennsylvania's 34 congressional districts to delete one as required by the 1940 census.

James refused to say that he would not call a special session for reapportionment in the event the legislature's special committee failed to adopt a plan. Until now, he consistently declined to get that specific about the problem.

The committee met for five hours yesterday, but had nothing to say.

Here and There - About Town

Autos Collide; Cyclist Hit
Automobiles driven by Lester P. Koenrich of 1446 E. Pershing st. and Vernon M. Votaw of R. D. 1 East Rochester, figured in a collision at the intersection of S. Lincoln ave. and Aetna st. at 10:30 a. m. yesterday, police said.

August Juliana, 15, of 405 Franklin ave., suffered a slight fracture of a foot bone when knocked from his bicycle by a truck making a turn at the intersection of N. Lincoln ave. and Sixth st., Tuesday night, police learned. He was treated at the Central Clinic. The truck was operated by Joseph Weikart, 16, of Leetonia.

Wilbur Sangree of R. D. 4, Salem, told police that his car accidentally bumped a parked car on W. Second st., near Ellsworth ave., at 5:45 p. m. yesterday.

Inspect Army Citadel
Major James Coates and Major Arthur Reddie of the Salvation Army divisional headquarters in Cleveland conducted the annual inspection of the Salem citadel yesterday.

Improvement over the previous year's work was noted, including advancements on the Senior and Junior work.

Christmas season activities of the Salvation Army are now under way.

Highway Worker Hurt

Victor Williams of 355 W. Maple st., Lisbon, tractor operator employed by the department of state highways, suffered multiple fractures of the nasal bones and other facial injuries in a mishap while at work today. He was admitted at 9:30 this morning to Salem City hospital, where his condition is described as good.

Plan Skating Party

The young people of the First Baptist church will hold a roller skating party Friday night at the Washingtonville rink. Those planning to attend are asked to meet at the church at 7:30. Transportation will be provided.

Arrested By Patrol

Harvey Hoffman, 24, of Chicago, arrested by the state highway patrol on a charge of excessive speed, was fined \$5 and costs in the mayor's court at East Palestine Wednesday.

Theft Is Reported

John Fullen of 241 W. Pershing st. reported to police yesterday the theft of his bicycle from the High school grounds.

Closed Until Jan. 13

The Red Cross surgical dressings center will be closed until Jan. 13, chairmen announced today.

SOVIET WITHDRAWS FROM HANGO SECTOR

HELSINKI, Finland, Dec. 4.—Small rearward units of the Russian garrison on Hango peninsula kept up a delaying fire today from scattered fortified positions, covering the withdrawal of the main force, while Finnish troops inched forward in reoccupation, it was reported in dispatches from that front.

Finnish declared that the five-month siege of the Gulf of Finland naval base was ended and told of a Russian "farewell note" found on one of the beaches, which said: "We are leaving now but we are coming back. Revenge is beautiful."

The Russians left the peninsula thickly strewn with mines and explosive traps.

The withdrawal to Leningrad, apparently was dictated by the Finnish pressure.

"The German high command said that 3,000 Russian men and officers were captured when the troopship in which they were fleeing Hango was damaged in the German-Finnish mine belt and taken in tow by two German patrol boats. The Germans said the Finns already had reoccupied Hango."

The Helsinki newspaper Uusi Suomi expressed immense relief now that "the pistol aimed straight at the heart of Finland had been knocked from the hands of the brutal usurper."

Russia won a lease on Hango in the 1940 peace terms with Finland. She had demanded the base as a protection for the sea approach to Leningrad.

WILL EXTEND CUT ON REFRIGERATORS

WASHINGTON, Dec. 4.—A new and deeper cut in production of household mechanical refrigerators was ordered for January and February today by Priorities Director Donald M. Nelson.

The cuts will range from 52 per cent for the large companies, to 30 per cent for smaller concerns. The original curtailment, ordered in September, called for reduced output for the last five months of 1941 ranging from 29 to 45 per cent under the average factory sales of the 12 months prior to June 30. Companies were given permission under today's order, however, to borrow from their January and February quotas to maintain a fairly high production level for the rest of this year.

Plug Up Gas Leak

LISBON, Dec. 4.—The Natural Gas Co. of West Virginia today took steps to eliminate a possible hazard created by several leaks in the gas main on W. Sherman st. which, it is stated, have seeped into the adjoining sewer line. The utility company has obtained permission from council to open the street and lay new mains.

WALKOUT STALLS BUS OPERATIONS

Strike of Maintenance Men Spreads To Other Employees

CLEVELAND, Dec. 4.—Operations of Central Greyhound lines eastward to Buffalo and westward to Toledo were stalled today as a strike AFL maintenance men spread among drivers ticket sellers, starters and garage attendants.

Commuters along the east shore were partially aided by extra coaches run by Cleveland Railway Co. and movement of selectees from Cleveland to Camp Perry was reported continuing.

While pickets remained on duty around the East 9th street terminal negotiations awaited the arrival from Minneapolis of the company's attorney, Ivan Bowen.

Two Central Greyhound buses took selectees to Camp Perry for induction yesterday, and company and union officials said four more trips would be made today.

Each side in the dispute charged a contract which has two more years to run had been broken by the other.

The walkout began yesterday when 75 maintenance men walked out in protest against the company's asserted refusal to pay rates stipulated in the contract to seven cleaning women hired two years ago to clean bus interiors.

Samuel Berrong, international representative of the Amalgamated Association of Street, Electric Railway and Motor Coach Employees, said the women were hired at 40 cents an hour for a 48-hour week, whereas the contract specified maintenance employees were to receive a starting rate of 60.3 cents on a 40-hour week.

David T. Roadley, labor relations director for the company, said the concern offered to fire the seven women and return to its previous method of cleaning the buses, but this was rejected by the union.

'42 DOG LICENSES AVAILABLE DEC. 8

LISBON, Dec. 4.—Dog licenses for 1942 will go on sale Monday, Dec. 8, in the license department of the county auditor's office and in the various sub-agencies over the county. Auditor Ross Tisher stated today. The deadline for the securing of the new tags will be Jan. 20, 1942, and an immediate check-up by Dog Warden Daniel Butch is expected to follow, with arrests of all owners of unlicensed dogs three months of age or over.

The cost of licenses remains the same this year, with a charge of \$1 for a male or spayed female, \$3 for a female, and a \$10 kennel fee. Applications are being mailed this week to all dog owners in the county, who may return the blank with remittance in procuring the new tags for their canine pets.

The sale of 8,183 tags in 1941 was an increase of 405 over the preceding year, and an increase in revenue of from \$9,851.25 in 1940 to \$10,316.50.

Ask Suit Dismissal

NEW YORK, Dec. 4.—Contending that Charles West, former Ohio congressman and undersecretary of the interior, defaulted in connection with a motion to examine him before trial, the Empire Ordnance corporation has filed notice of a motion to dismiss West's \$187,000 suit for commissions on \$70,000,000 in war contracts. West's complaint alleged that the company had paid him only \$13,000 of \$700,000 due.

DEATHS

MRS. JANE MCGOOGAN

LISBON, Dec. 4.—Mrs. Jane McGoogan, 77, widow of Joseph McGoogan and a former Lisbon resident, died at 2 a. m. today at the home of a daughter, Mrs. Charles Wilson, in Cleveland. She had lived with her daughter for the past five years.

Born Nov. 14, 1864, in Glasgow, Scotland, she came to the United States at the age of 20. The family first settled in Craventown, Pa., and later moved to Lisbon, Mrs. McGoogan had resided here for about 50 years.

Surviving are three daughters: Mrs. Wilson in Cleveland, Mrs. L. W. Boring and Mrs. P. J. Brennan of Lisbon; five sons, John, Paul and Daniel of Lisbon, Albert and Joseph McGoogan of Cleveland, and a sister, Mrs. Kate Reed of Downingtown, Pa.

Mrs. McGoogan had been a member of St. George's Catholic church here since its inception. The body is being brought to Eells parlors here. Funeral arrangements have not been completed.

SYMPHONY TO USE AN ADDING MACHINE

CLEVELAND, Dec. 4.—They are adding an adding machine to the Cleveland Symphony orchestra for tonight's concert.

Efrem Kurtz, guest conductor, will introduce the office equipment in the initial performance here of the "civic center" suite by Leigh Harline, musical director for Walt Disney.

The adding machine clicks in the third movement, entitled "taxpayers," one of the four-movement suite. It acts as a rhythmic counter-point to the wailing motive of the taxpayers. The machine outlasts the taxpayers, and sounds the final note, while the last noise in the movement is created by tearing off the adding machine paper.

TRANSFER FUNDS TO PAY OFF BILLS

LISBON, Dec. 4.—County Commissioners today made transfers of funds to two county offices, to pay outstanding bills, including sufficient money for the payment of the salary of Coroner Arnold Devan for the remainder of the year. Meanwhile, the seven employees of the probate court remain unpaid because of insufficient funds in the department to meet the Nov. 30 payroll.

Transfers today included \$181.50 from the courthouse supplies fund to the county coroner to pay an obligation of \$20 now on file and provide sufficient money for the salary and expenses of the office for the remainder of the year.

The other transfer included \$1515 from the fund for feeble minded, made possible because the county has a credit due from the state on over-charges. The latter sum was transferred to the sheriff's department. Of this amount, \$815 was for the payment of outstanding bills, while the other \$700 is for board of county prisoners in the Mahoning county jail.
